Dedication

Mr. Bastoni

Mrs. Foley

"Mr. B is one of a few teachers who can change a persons outlook and way of thinking in life. He binds with everyone he meets in new ways connecting on a personal level. The teaching methods and way about his class left students with more than what any other class could offer. He encourages the best in everyone and left a mark on all he has ever interacted with. The stories of his experiences and those of past students, gives a drive for students to work toward success. He emphasized failing early and often as accomplishments are achieved through the learning experience of past mistakes. He was a mentor, and friend that will be missed by all."

-Seth Shea, Class of 2019

"I was lucky to have Mrs. Foley as a freshman because she is the kind of person who really cares about her students. Even on my bad days, she was always there to offer encouragement and kind words. We will miss having her at Plymouth North and are so grateful for everything she has done for our school."

- Emmie Kelly, Class of 2019

"Mrs. Foley was one of the most helpful and patient teachers I had in high school. She didn't give up until I truly understood the lesson. She continued to be a friendly face not only freshman year but until the end of senior year. She made the transition from middle school to high school a lot easier. Thank you Mrs. Foley for all that you have done."

- Marcus Johnson, Class of 2019

A message from
The Principal
Peter Parcellin

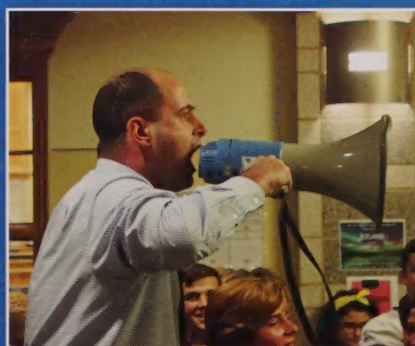

Dear Class of 2019:

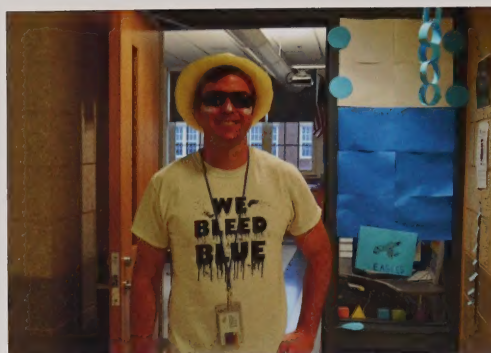

What a year it has been! It is with a strong sense of astonishment and inspiration that I convey to each and every one of you my sincere gratitude for the way you have welcomed me to your home away from home. Even before our doors opened for your final year at PNHS with a brand new Principal, you greeted me with a smile, never hesitated to respond to my questions or my over-eager "Good Morning", and we buckled our seatbelts and prepared for an amazing trip together. I extended my hope that you would make the very most of your senior year when we first met in September, and it's so clear that you've done exactly that. Throughout this year, I have been inspired by the accomplishments you've attained in all sorts of ways, the care you have shown for each other and the underclassmen who will carry on your legacy, and the passion you have for this school and this community.

From here, the journey really begins. All of you are so different, and I know I speak for the rest of the faculty and staff who have watched you grow up over these four years: we cannot WAIT to see all the amazing things you will do as you venture out into the world. From business, to the arts, to politics and beyond... each of you have amazing and diverse talents that will undoubtedly make our community and world a better place. Take the experiences, the memories, and the lessons that you've learned from us and from each other and use them as the foundation to make a positive impact on the world in your own way.

If there's anything I've learned as I've gotten to know you this year, the sky is TRULY the limit for this graduating class of Eagles. I am eternally thankful to you for all you've done in making me a part of your school, and I will certainly fondly remember the Class of 2019!

CONGRATULATIONS CLASS OF 2019! WE ARE SO PROUD OF YOU!

Prom

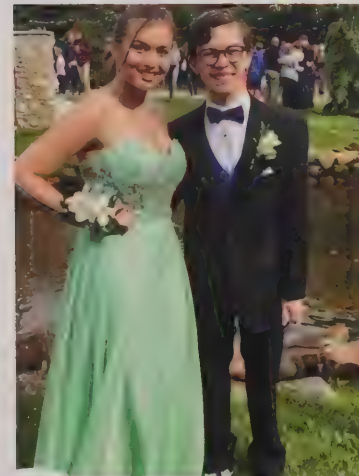

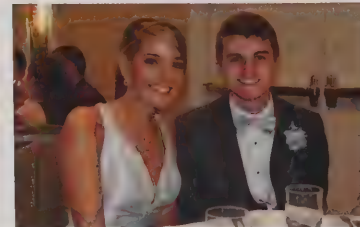

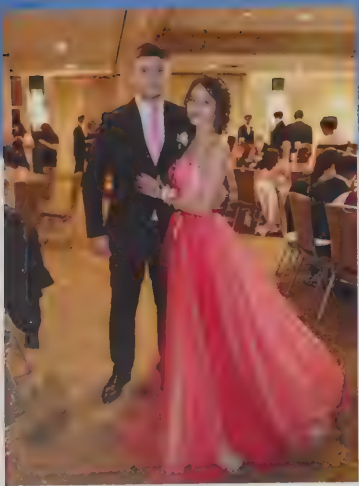

Congratulations to
Cole Gustin and Anna Sheehan!
Our 2018
King and Queen

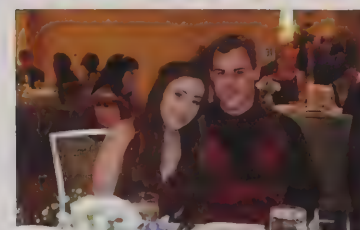

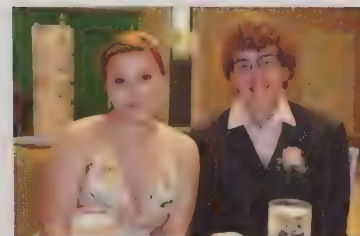

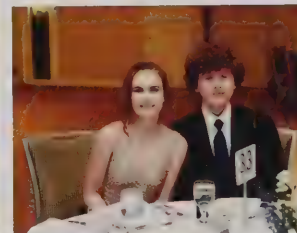

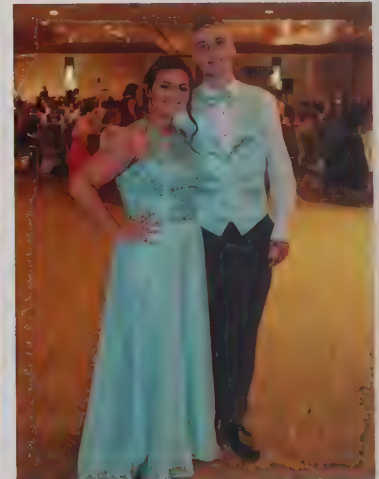

The Class of 2019 had a special night at the Seacrest Hotel in Falmouth on May 19, 2018. The Junior Prom was filled with fancy dresses, sharp suits, and insane music. Out of the court, Anna Sheehan and Cole Gustin took home the crowns for Queen and King. And with the DJ, everyone was dancing through the night.

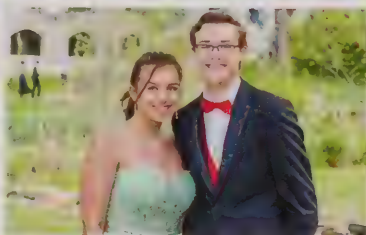

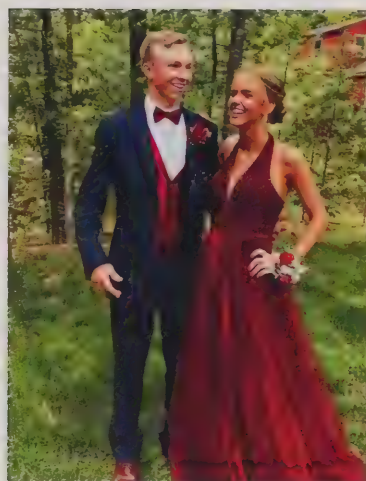

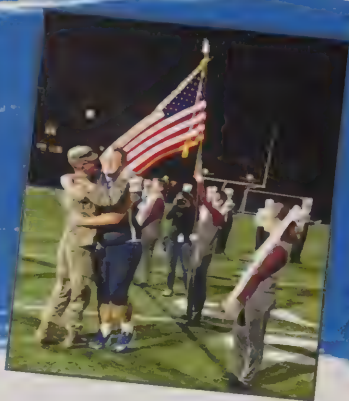

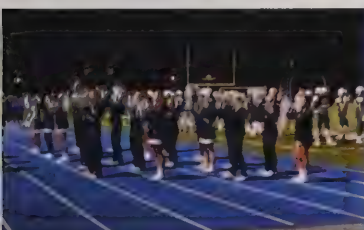

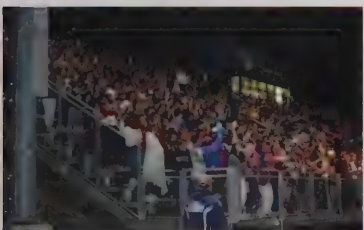

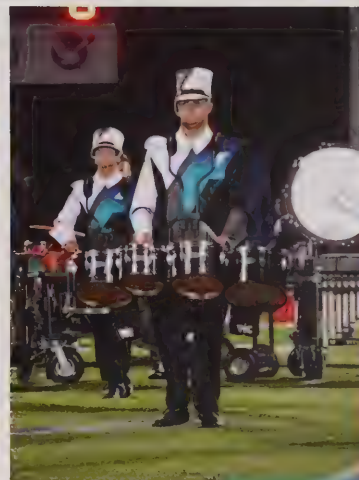

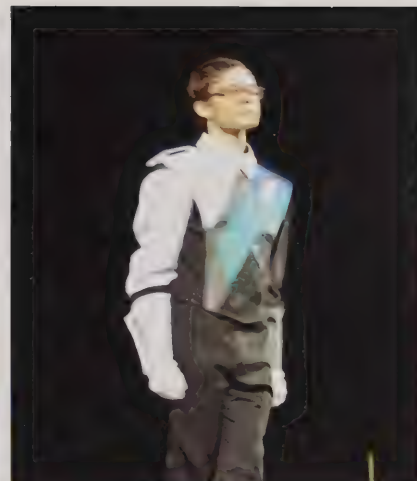

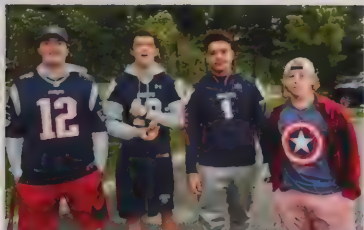

Homecoming Game

During the homecoming game a soldier came home and surprised his brother that was on the football team. The homecoming court was in attendance.

Plymouth North was untouchable at the Homecoming Game. The cheer and dance team, along with the band, kept everyone pumped up throughout the crazy game. Once again, North's football team was crowned victorious during one of the biggest nights of the year.

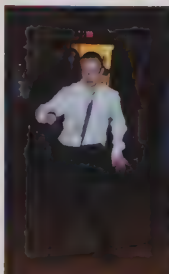

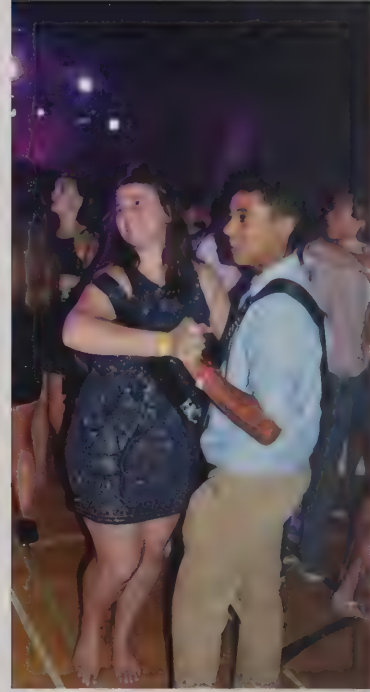

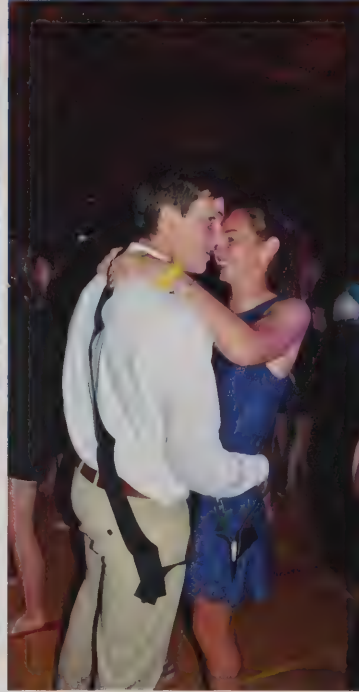

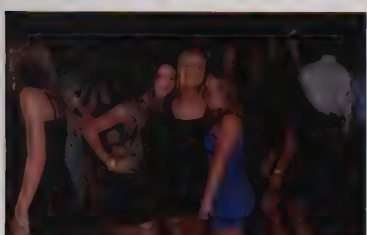

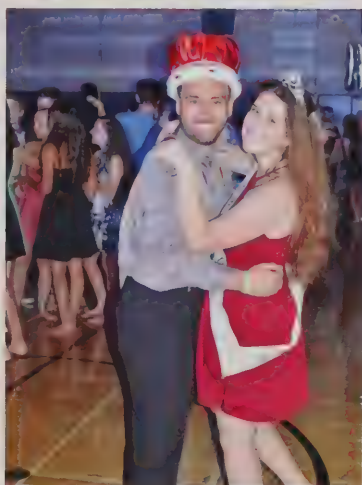

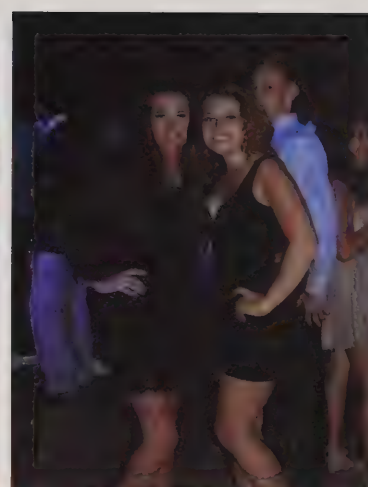

Homecoming Dance

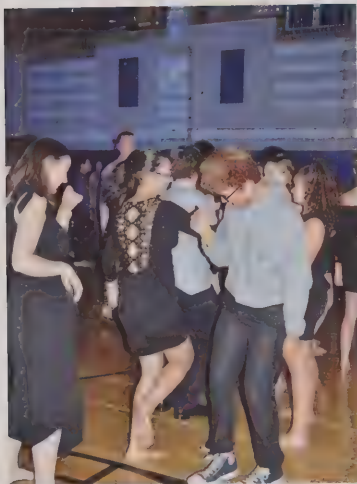

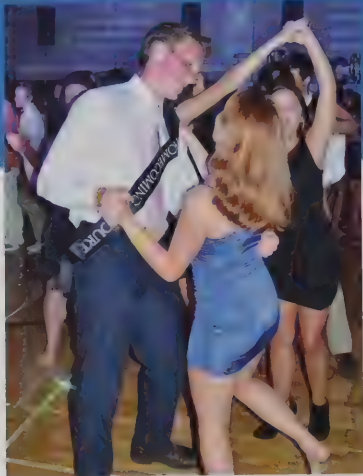

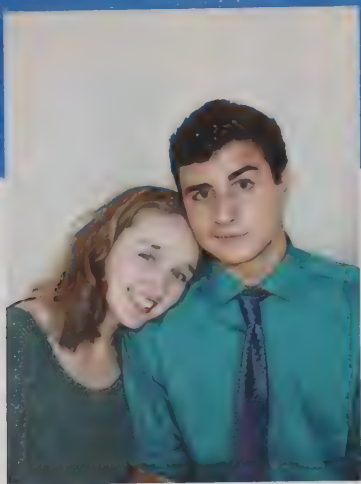

Looking sharp!
Congratulations to the
King and Queen.

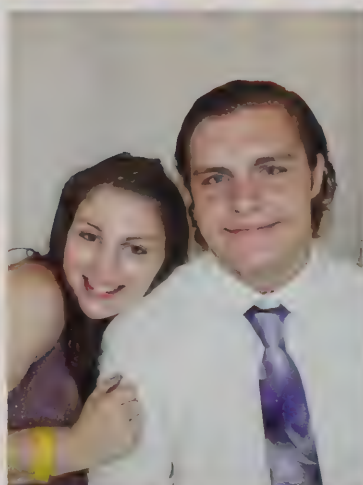

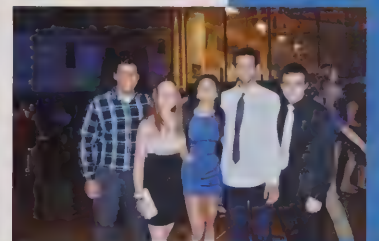

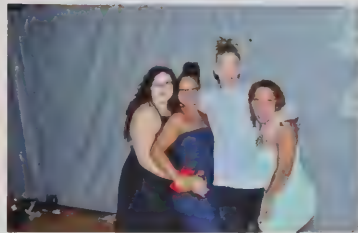

The celebration continues after the annual Homecoming Football game at PNHS. Homecoming King and Queen, Eddie Payzant and Helen Frazer, along with the rest of North came together for an unforgettable Saturday night to start off the school year.

Halloween

And the school spirit doesn't just end here!

For the first time at North, the staff and their departments competed for best costumes and theme. Look out for the VPA's Mario cart race, they're heading through to take first place!

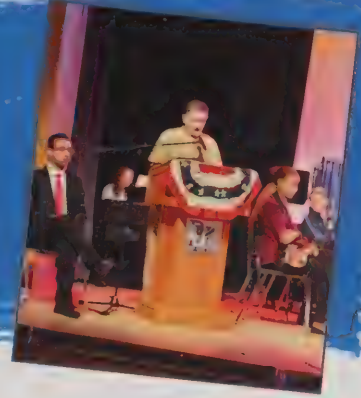

In the halls and classrooms, students left and right were dressed for the festive occasion. From monsters to characters from Disney, the holiday spook ends with a mouthful of candy.

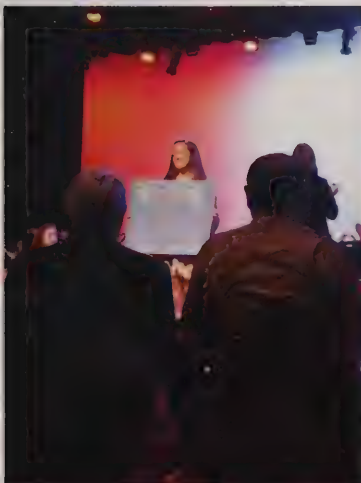

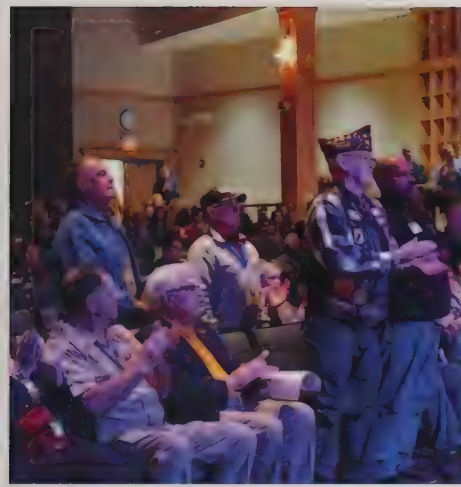

Veterans Day

Thank you Veterans for sharing your stories and paving the way for future students who have also chosen to serve our country.

In order to honor those who have fought for our country, North hosts an annual Veterans' Day assembly. Teachers were recognized for their sacrifices, along with students who will be joining the forces in the future. Those who have served in past wars, and others currently in the service were able to share their stories.

The band, orchestra, choir, and Northern Lights, dazzled the students, staff and veterans with nostalgic tunes and music that helped set the mood for the rest of the school day.

Powder Puff

The Junior Class
was led to their victory
by quarterback
Caroline Tripp.

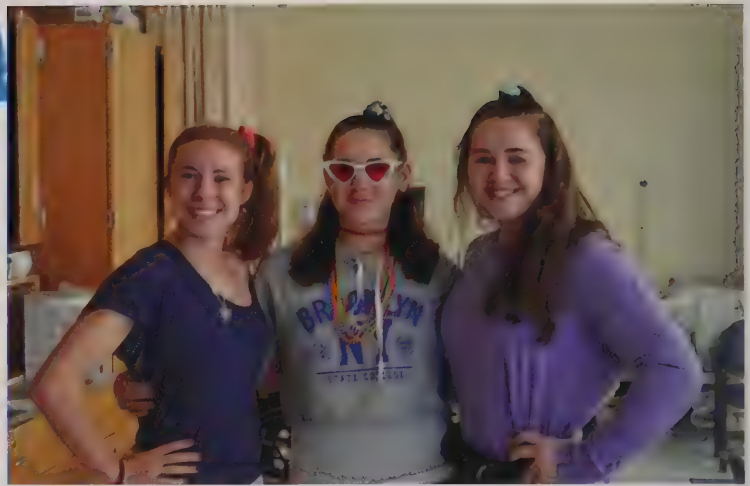

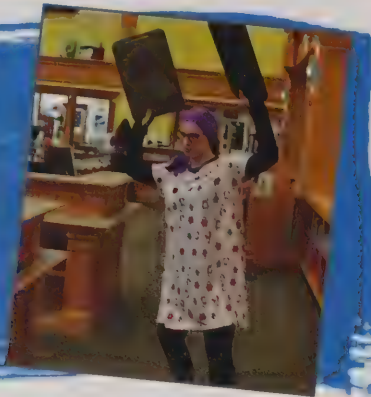

The girls of Plymouth North fought head to head in flag football with the goal to rein champions of the school. In the end, Juniors were invincible as the Sophomore, Freshmen, and Senior classes lagged behind.

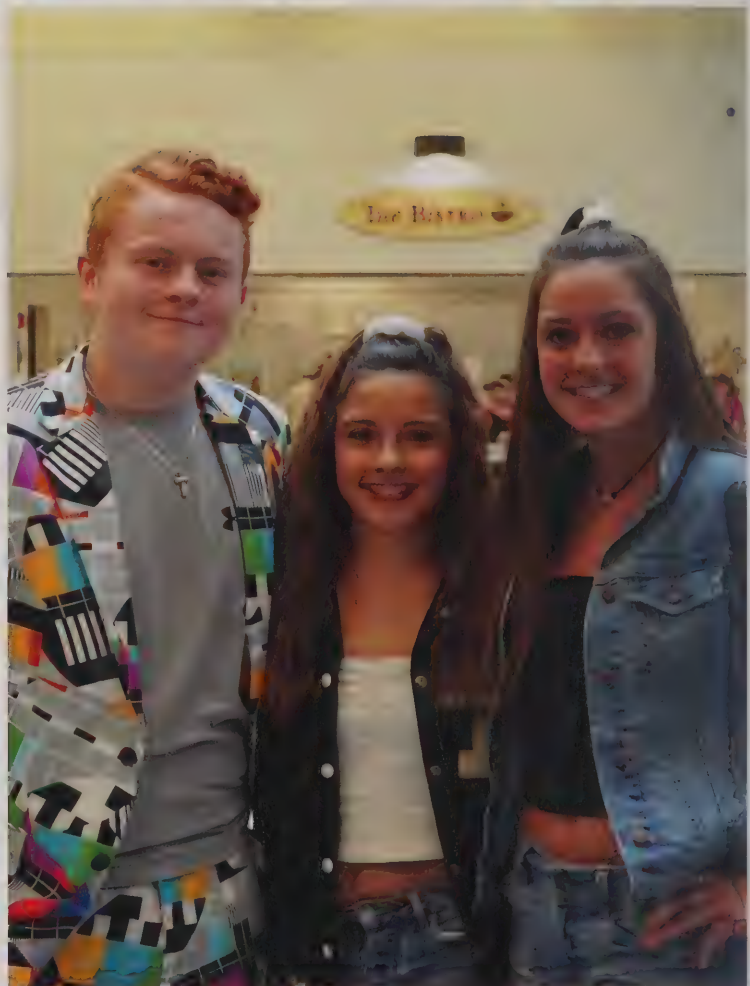

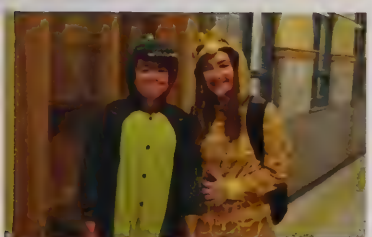

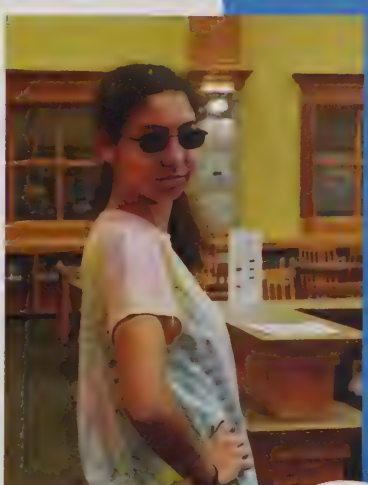

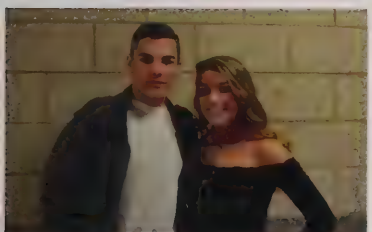

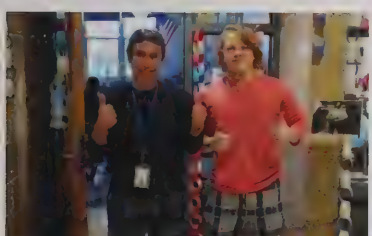

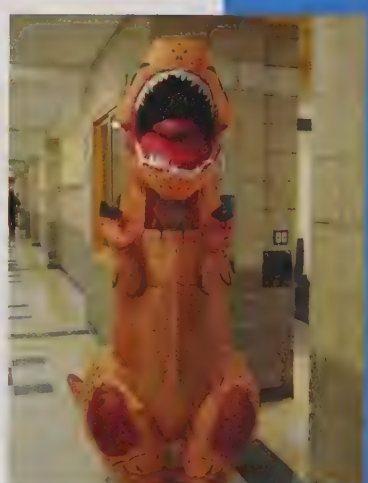

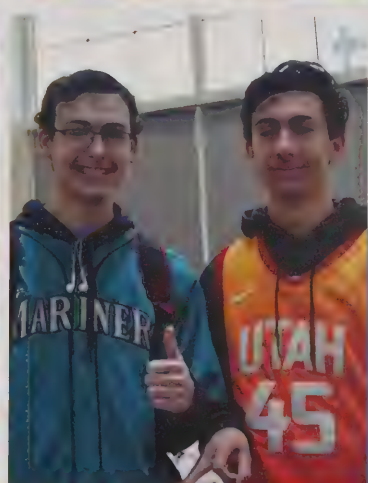

Spirit Week

Andrea Sweeney won the senior class Spirit Points with her costume on Meme/Character day

Students and faculty were seen throughout the halls participating in Tourist Tuesday, Meme/character Wednesday, Throwback Thursday, Jersey Friday, and Pajama Monday! Racking up those class spirit points, many went above and beyond with their school spirit.

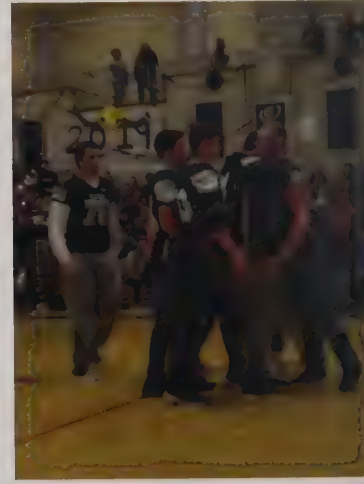

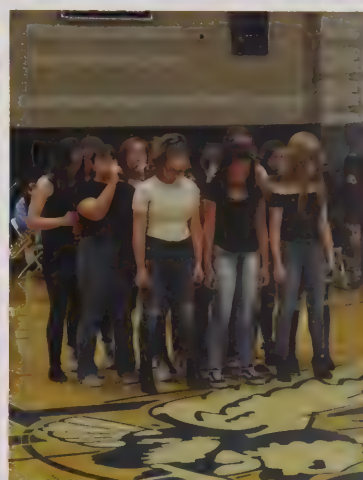

Pep Rally

From boosting school spirit to preforming amazing stunts, North's Cheerleading squad takes it away again! Great job girls!

From cheers to hollers which shook the grounds of Plymouth North, the Senior class took the win with Juniors following in second. Not even the teachers could keep the upperclassmen in their seats, as the dance off and annual selfie contest took place. No chance for the Sophomore or Freshmen class to catch up; try again next year!

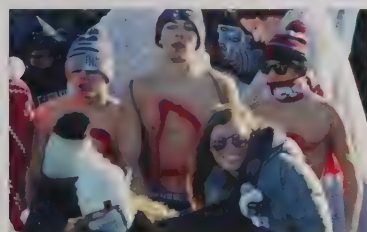

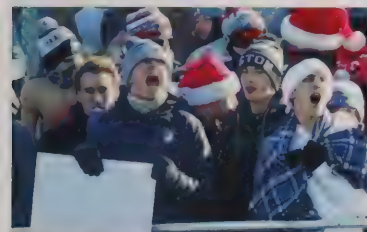

Thanksgiving Game

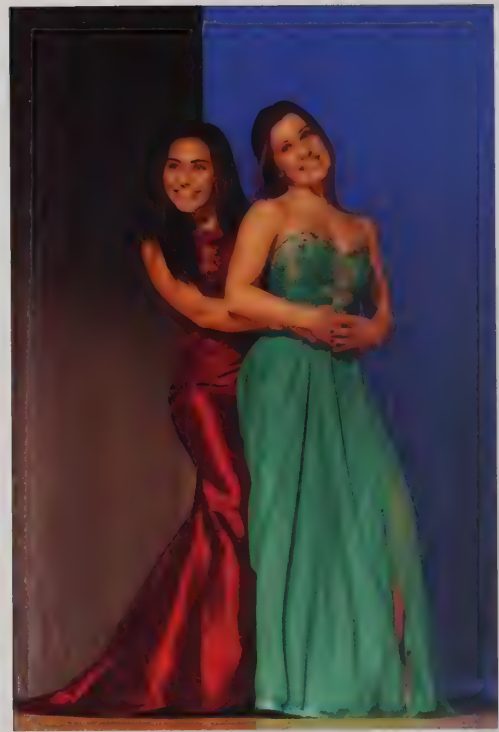

The finale score
of the
Thanksgiving Game
27-0

The annual North vs. South rivalry game brought out the entire town with the temperature at a record 20°. The Plymouth North Eagles beat South, taking the trophy home once again. GO EAGLES!

Representatives from many countries meet to draft resolutions concerning many issues, each committee is given two possible issues to tackle, only one of which however, will actually be addressed.

Model UN New York

This year New York MUN was assigned the Dominican Republic for most committees, and Russia for a few others, including the UN Security Council where Russia has the power, along with four other nations, to veto any resolution passed. PNHS's mock representatives were able to contribute to resolutions passed concerning genocide, international crises, atomic energy use, climate change and many more issues confronting today's world.

Led by Coach Perlou and Coach Mac, the team has grown from 12 players to 34. The future of this program looks bright. The picture above shows the four players that have stuck with the program the longest.

Letter from the Editor

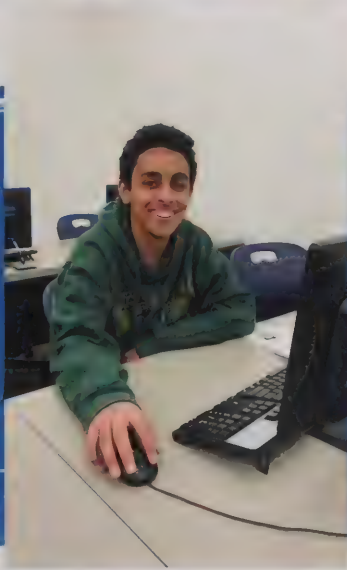

I would really like to thank the incredibly dedicated group of people that put so much time into this year's book. They spent so many hours inside and outside of school working to get this yearbook out on time, and they don't get enough credit for the energy they've invested into it. It takes hours and hours to find kids to get pictures of them and their quotes-and I'm glad we were able to make a yearbook I'm proud of. I hope you all have the best of luck in the future!

-Cy Beltran

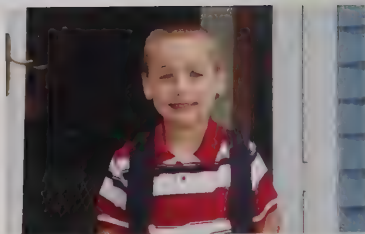

Yearbook

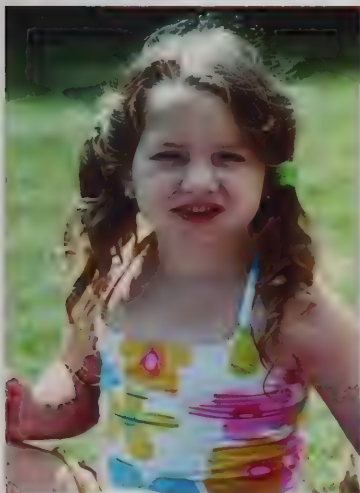

Yearbook Club met every Tuesday after school in the computer lab to create this beautiful book. Members of yearbook created pages, took pictures and designed layouts that you see. Morgan, Maddie, Marcus, Caitlin, Becca, and Julia grew fond of oreos and cheezits thanks to Ms. Gill and Mrs. Gagnard.

Jacqueline we are grateful and blessed that we raised you. We have learned so much from you- patience, quiet confidence, energy and joy! We are so very proud of who you are, you are beautiful, generous, and kind-it illuminates so much goodness into a world often changing. We know your heart like we know our own. Here is what we want you to remember Jackie as you go to college .don't settle for ordinary, when extra ordinary is just the next step away, remember your name is our name, experiences are more valuable than things, take risks, pay attention to the joy around you, you don't always have to have a plan, perfection is over rated, you can't change anyone else, keep cheering, work hard, sing everyday-you have a gorgeous voice, ask for help, think before you speak, its one thing to have a pretty face, but its better to have a beautiful heart, you have been blessed with both, laugh every day, you can come home whenever you want, hang out with Patrick a lot this Summer as he is going to miss you. Miss B,

There isn't enough space in the entire yearbook to tell you how proud I am of you. Not many moms are as lucky as me to have had you in my life for longer; not many moms are as lucky as me to have had a built in best friend growing up at their sides... I know it hasn't always been easy, but it's for sure always been great... Thanks for being you, and for making me who I am. Keep dancing, always try your best, and as much as I wish I could have kept you little, I am excited to see all the places you go... "that little girl dancer eventually grows, she grows..."

I love you the most. Love, Mom

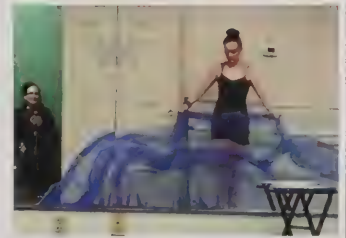

Super proud of you kiddo. And honored to be part of the family. Best wishes for your future adventures, many great things to come. Love Mark.

Congratulations on your graduation! As the nerd in the family, I feel like I should try to take credit for your smarts... But the reality is, so will everyone else who loves you (and that's A LOT of people to compete with). Instead, I will take credit for your love of small fuzzy animals that say bork or mew.

I don't have enough space to explain how proud I am of you, but I have no doubts you will excel in whatever path you choose. Don't forget to enjoy the simple things in life and keep dancing as if no one is watching.

Love you lots B-money! xoxox Auntie Kara

Our "Little" Bianca was no typical child while growing up! She loved to "cook and eat" and not what you would imagine an 8 year old would eat...She loved steak, fish, veggies, home made pizza (and yes she made the dough). Her and her "Grampy's" homemade Pasta" was also a big hit. She would pass on ordering off the kids menu of chicken fingers and fries. Not only was she passionate about eating and cooking, she loved to travel ...especially one visit to California, as her mom returned to Boston she stayed an extra week with her grandparents ...struggled a bit when mom left her, however when the tears rolled down her face we said...why so sad? You will see mom in a week...we're gonna fly back together to see her ...the tears stopped, the frown turned around and with excitement in her little voice, "well, why didn't anyone tell me? ...I thought I had to fly back by myself!" Now this beautiful young lady will travel anywhere by herself. Continue to shoot for the Stars Miss B. You have made us so proud of the "Beautiful young lady you are today."

We love you, god bless...Grampy and Mosey

YOU HAVE SUPPORTED US MAKING OUR MILESTONES THROUGH THE YEARS AND NOW IT IS YOUR TURN TO WALK ACROSS THE STAGE..YOU ARE AN INSPIRATION TO US ALL AND WE COULD NOT BE PROUDER!! WE ARE THRILLED TO WATCH THE LITTLEST WHITE SET THE WORLD ON FIRE..LOVE CW, BW & JW

Congratulations!

Our beautiful lady bird! How is it possible that you are graduating high school? It seems like just yesterday you were toddling around our kitchen and dancing to "Top-i-sic" by Brittany Spears.

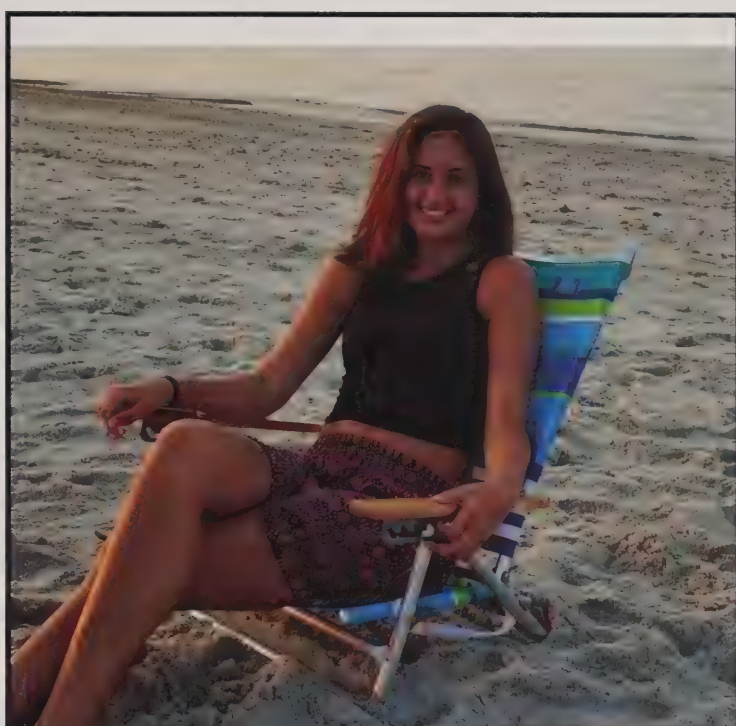

We are so proud of the hard-working, dedicated, and independent young lady you have become. You are a true beauty - both inside and out! Be fearless as you step into this next chapter of your life; be eager to learn; be open to grow; be mindful of how you can make a difference....but most importantly be true to yourself!

Love you forever and always,

WILDFIRES

The 2018 wildfire season was the most destructive in California history. Over 8,500 fires burned 1,893,913 acres and caused \$3.5 billion in damage. The deadliest fire was the late-season Camp Fire, aggravated by strong winds. The fire killed 86 people and destroyed 18,000 structures.

SPACE TRAVEL

Brothers Mark and Scott Kelly are the only identical twin astronauts in history. Scott spent 340 days in space aboard the International Space Station in 2015-2016. When he came back, he was two inches taller than his twin (formerly the exact same height) and his gene expression had changed significantly. Turns out, living in space for that amount of time quieted some of his genes while amplifying others because that's what the human body does, adapts to its surroundings. Since the study of the twins was completed in March of 2018, Scott has returned to his pre-space height and readapted to life on Earth.

MOVIES

When Oscar-nominated director, Ava DuVernay teased followers on Twitter with a hint about something happening during the Superbowl broadcast, they went into a frenzy. It wasn't long before their curiosity was answered with a trailer announcing a new movie: *The Cloverfield Paradox*. No prior publicity and no advance press at all. The twist? The movie was available to stream on Netflix immediately following the game. While reviews were lukewarm, the immediate gratification of announcing a major motion picture the day it's available to stream was a gamechanger.

NETFLIX originals

Netflix continues to build their library of original programming and movies; 2018 was no exception, adding films based on best-selling young adult fiction novels.

To All The Boys I've Loved Before, based on the book by Jenny Han.

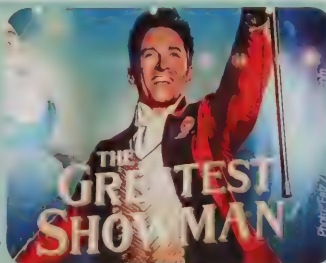

NEIGHBOR

"Won't You Be My Neighbor" is a nostalgic look back at the life and career of Fred Rogers, star of long-running children's program, *Mr. Roger's Neighborhood*. Rogers was a champion for using television programming for teaching children about being kind in his signature understated manner. The show ran from 1968-2001 with Rogers passing away in 2003.

THE SHOW

The Greatest Showman was the first original movie musical to be released in 26 years and after a dismal opening weekend, it seemed that the \$84 million production was going to tank...until people started talking. Theaters across the nation saw how crowds loved the musical (and chart-topping soundtrack) and organized circus-themed sing-a-long nights. In a year, the movie grossed \$434 million worldwide, making it the fifth-highest grossing live-action musical of all time.
